

# LIBRARY SOCIETY (JH & SH)

## CCA days and timings:

Core members: 4 hours per week  
Non-core members: 2 hours per week

## Venue:

Library

## Introduction:

Library Society provides a platform for student librarians to serve the library users with sincerity and pride. It conducts meaningful programmes to promote and inculcate good reading habits among students, and trains student librarians with basic skills of library operations and teamwork.

There were plenty of opportunities for students to push their limits and do the school proud. Four of our students' creative stories were selected to be published in a limited edition eBook series titled 2019 Tales of 'S' -, Infinite Spectrum and in limited edition autographed print copies.

A variety of events were also organised to cater to the student population. These include the monthly bilingual book recommendations and D'Carnival 2019. We also proudly participated in the South Africa Mobile Library Project (SAMPLP) organised by Sony Singapore. The aim of this project is to help improve literacy rates by providing free and easy access to books for children living rural areas of South Africa. There were bountiful takeaways and enjoyable experiences for the Student Librarians from these activities in 2019.
