**CCA days and timings:**

Mondays: 3:30 – 6pm  
Fridays: 2:45 – 6:15pm

**Venue:**

Classroom 3L (Block F1-04-06)

**Introduction:**

Have you always been drawn to the energy and love for the stage? Have you been inspired to inhabit a role or take on the character of another person? Have you always been curious to know how performances are put together, the technical aspects which go into the drafting of a script or the conceptualisation of the set of a production?

If so, then the English Drama Society (EDS) wants YOU!

EDS has long enjoyed a tradition of drawing out the inner thespians within our members. Here, our budding actors will first learn basic dramatic techniques such as voice projection and articulation, body movements as well as working as part of an ensemble in Year 1. They will then join their seniors in Year 2 as part of the main CCA group where they will work on rehearsing for the annual showcase under the guidance of our experienced coach. EDS has also been an active participant of the Singapore Youth Festival (SYF) Arts Presentation for many years and was recently conferred a Certificate of Distinction (the highest accolade attainable) at the 2021 SYF Arts Presentation.

While our members continually learn about the craft of the theatre, we also believe in developing their self-confidence, discipline and their ability to collaborate and work well with others. These are lifelong attributes which we believe should be nurtured in all our members. So if this sounds right up your alley, don't hesitate to indicate your interest and sign up for an audition!
