Introduction:

The Dunman High School Symphonic Band is a Performing Arts CCA where every member receives numerous opportunities for performances and showcases. The Band members are driven by our passion for music making with our fellow peers who share the same love for music. With the Band's mission being "to promote a lifelong interest in and love for music and music-making in our students", the Band has achieved great heights, clinching numerous back-to-back Distinctions in the biennial Singapore Youth Festival (SYF).

We are also honoured to have performed at renowned concert halls such as the Esplanade and Victoria Concert Hall. Band has also had various exchange opportunities with other bands both locally and overseas to expose our members to different forms of music and cultures. In preparation for the biennial Singapore Youth Festival this 2019, the band members even had the opportunity to attend a week of masterclass by Mr Philip Davis, Master teacher based in Australia, during our March Holiday Camp.

To join the Dunman High School Symphonic Band, you do not need to have musical background! As long as you have the heart and passion for music, we welcome you!

Achievements:

2017 SYF Arts Presentation – Distinction

2019 SYF Arts Presentation - Distinction
