## Introduction:

2019 was yet another fulfilling and memorable year for Theatre Arts, with many new faces joining our fraternity including our first batch of JAE students. Theatre Arts presented 'Fragments', a double bill which explored the darkest recesses of the human psyche and the consequences of our choices and actions. Through the intense preparation and rehearsals with our dedicated coach, Ms Chio Su-ping, we truly learnt the art of using our bodies and faces as extensions and expressions of ourselves. We look forward to welcoming a new batch of members and to do our best at this year's SYF Arts Presentation!

## Achievements:

2018 SYF Arts Presentation (JC/CI Drama) – Certificate of Accomplishment

2016 SYF Arts Presentation (JC/CI Drama) – Certificate of Distinction
