Introduction:

Dunman High School has a shooting range?

Indeed, not many people are aware that we have a shooting range right here in Dunman High! However, they will know DHS Air Weapons Club is a well-established CCA, clinching several impressive medals over the years.

Training with dedicated coaches, our sharp shooters have to overcome mental challenges to stay focus and on target. The amount of discipline and tenacity shown in our shooters reflect the never-say-die attitude even when they meet obstacles during the competition.

Each year, the new intake of Year One and Five shooters, together with existing batch, would be challenged to withstand vigorous training, and eventually be placed in the shooting arena.

While shooting is a sport of solitude, it is team work with your fellow shooters, coaches and teachers which make AWC an enriching and rewarding CCA!
