## Introduction:

The DHS badminton team is made up of a team of dedicated and passionate players, who are willing to put in the effort and time to hone their skills to bring their game to a higher level. Under the coaching of dedicated and competent coaches, the team has gone from strength to strength.

Through training sessions, annual camps and overseas programmes, the players forge strong ties and team spirit. Friendly matches are regularly organised to give players more opportunities to compete and gain experience.

In 2020, we will continue to work hard and to strive for a spirit of excellence in whatever we do.
