Introduction:

DHS Table tennis encourages team bonding through our school competitions. In our competitions, we compete as one big family, because it is essential for us to be united so that we are able to excel. "Alone we can do so little, together we can do so much", a quote by Helen Keller, truly reflects the nature of our table tennis team. As such, it is important for us to be bonded as one big DHSTT family, which consists of the junior high and senior high Table Tennis team. Over the years, we are determined to improve and seek higher achievements such as achieving top 4 in the Nationals. Even though we may fail at some times, through the support and encouragement of our teammates, we are able to learn and improve, and move forward with pride and confidence.
