## Introduction:

Dunman High School Tennis is a Co-Curricular Activity which is exclusive to the Senior High fraternity and was established in 2007. Currently under the guidance of Coach Bernard Lee and our Teachers-in-charge, Mr Alan Tan and Miss Sharlene Loh, the team took part in their National Inter-School 'A' Division Championships in 2019. This year, our Boys' team managed to advance to the Quarterfinals. Through Tennis, we aim to foster a strong team spirit where members support each other. More importantly, our practice sessions train our resilience and hone our sense of sportsmanship. In addition, we believe in cultivating a love for Tennis and the team. We hope to welcome passionate players who are enthusiastic about Tennis and who are willing to learn.
