

MASS COMMUNICATIONS SOCIETY (SH)

CCA days and timings:

Friday: 5.00 pm to 7.00 pm

Venue:

Video Recording Room

Introduction:

The Mass Communications Society (MCS) is a Senior High CCA that seeks to provide a platform for those who are passionate about film-making or radio broadcasting to share their creative voices. As a CCA, MCS takes pride in the unique way we give back to the school- by shaping valuable memories through our student-produced videos during major events such as the annual Chinese New Year and Teachers' Day celebrations. On top of learning about various filming and video editing techniques, our members enjoy the privilege of taking learning outside the school, attending courses and participating in various film-making competitions.
