

TOUCH RUGBY (SH)

CCA days and timings:

Thursday: 4.30 pm to 6.30 pm

Venue:

School Field

Introduction:

The Dunman High School Touch Rugby Girls Team is an Interest Group formed in 2010 and has earned the dedication of passionate players each year since. Touch Rugby is a game involving speed and agility, it engages players to think strategically on field, and tests for team chemistry. Over the years, this sport has been a platform for the girls to pursue excellence through sportsmanship and teamwork. Each training session with our coach, Ms Jasveen Sidhu, and our teacher advisor, Ms Esther Chin, is an opportunity for the girls to master a variety of skills and strategies as we gear up for competitions such as the Secondary Schools Championships and Black's Fun Touch. The core values of Touch Rugby emphasising solidarity, passion, respect, discipline and integrity serve to guide the team as we strive for improvement each year.

Achievements:

3rd in 2019 National B-Division (U-17) Competition
