

# NETBALL (SH)

## CCA days and timings:

Tuesday: 5.00 pm to 7.00 pm

Thursday: 5.00 pm to 7.00 pm

## Venue:

Parade Square / Court on top of Rifle Range

## Introduction:

Netball is one of the fastest growing participation sports in the world. Adapted from basketball, it was once known as 'women's basketball' and was brought to England from America in the early 1900s. Senior High Netball is a recreational sport that serves as a refreshing break from the hectic Senior High life.

We are a group of fun-loving girls who loves this non-contact and fast game. We train twice a week, on Tuesday and Thursday under the guidance of Coach Rose Begum. Our team participates in various netball competitions and we go for umpiring course in order to be qualified Netball umpires. We also hone our Netball skills by having friendly matches with other schools. Other than that, we also organise our own internal bonding events such as our annual netball camp.
