## Introduction:

The DHS Football Team consists of a vibrant and tight-knit community of students. Training under the watchful eye of their dedicated their teachers and coach, the members hone their skills over the course of the CCA season. Many students who had no experience in this sport prior to joining the DHS Football Team have since become adept at the sport – a testament to the dedication of their coach and teachers as well as affirmation that we can achieve our goals if we set our minds to them!

The DHS Football Team participated in the annual National Inter-School A Division Football Championship in 2019. Although the team eventually failed to progress to the latter stages of the competition, the camaraderie and bonds forged through experiences such as these will become part of the fond memories cherished by students long after they graduate.

In addition, the CCA also organised football clinics for the students from Eunos Primary School in 2017 and 2018) as part of our Community Outreach/Values-in-Action Programmes. In 2019, we have extended to Stamford Primary School. These programmes promote holistic development of the students from all schools. Students who are interested in playing the beautiful game are strongly encouraged to join the CCA.
