Introduction:

A strong team dynamic is a pre-requisite for any softball team. Through training sessions, annual softball camps and overseas immersion programmes to such places as Taiwan and Shanghai, players forge strong bonds, gain experience that allows them to further develop their passion for the game. Friendly matches and tournaments are regularly organised to expose players to varying playing styles, as well as to give them more opportunities to enjoy the game. In 2020, we look forward to strengthening our position in the National Schools' Softball Championship. So, take your first step - join us and be part of this dynamic DHS team!
